

Milwaukee M12 FUEL Brushless Circular Saw 140mm blade - Tool Only

Part Number: M12CCS44-0

Specification

Milwaukee M12 FUEL Brushless Circular Saw 140mm blade - Tool Only
With a cut capacity of 44mm, the M12 FUEL 140mm circular saw has the ability to cut a wide range of common jobsite materials. The M12 circular saw was designed to deliver the power, run-time and durability required by professionals. The POWERSTATE Brushless Motor outperforms all leading competitors with constant power output, yet runs cooler with no wearable components. REDLINK PLUS Intelligence ensures optimized performance and protects your investment from overload, overheating, and over-discharge. The M12 REDLITHIUM-ION 4.0Ah Battery Pack provides more work per charge and more work over the life of the pack. The M12 FUEL 140mm circular saw features a built-in LED light for great cutline visibility and all aluminium guards and shoe for increased durability on the jobsite.
