

# Milwaukee M12 Fuel Compact Cut Off Tool Skin M12FCOT-0

Part Number: M12FCOT-0

**Specification** Milwaukee M12 Fuel Compact Cut Off Tool Skin M12FCOT-0  
The M12 FUEL 3" Compact Cut Off Tool delivers multi-material cutting capability in an ergonomic package, optimised for one-handed use. Spinning at 20,000 RPM and featuring a POWERSTATE Brushless Motor, the M12FCOT delivers fast and accurate cutting performance in a wide range of materials. The unique reversible blade rotation feature provides users ultimate control over material removal, along with the ability to select their desired blade rotation for the direction they need to cut. For ultimate cutting versatility, the M12FCOT ships with three accessories: a metal cut off wheel, a diamond tile blade, and a carbide abrasive blade. The M12 FUEL 3" Compact Cut Off Tool also includes a tool free accessory guard & shoe that includes a vacuum adapter for dust mitigation as well as cut depth adjustment. Lastly, the tool also features tool free guard adjustment and an LED light.

**Shipping Weight** 0.00
