

MILWAUKEE M18 Brushed Multi Tool 18V Skin

Part Number: M18BMT-0

Specification

MILWAUKEE M18 Brushed Multi Tool 18V Skin

The MILWAUKEE M18 Cordless Multi-Tool (M18BMT-0) cuts faster and delivers maximum cuts per charge. With optimum speed and performance, the cordless Multi-Tool offers the versatility to complete problematic job site applications. Ideal for remodelers, flooring contractors, maintenance repair technicians and electricians, the cordless Multi-Tool cuts, grinds, sands and scrapes at odd angles and in areas difficult to work. Its powered by the M18 REDLITHIUM-ION Battery (sold separately) to deliver maximum runtime. Use it to make flush or plunge cuts, remove grout, sand in corners and tackle other awkward jobs. The M18 Multi-Tools constant power technology maintains blade speed for faster cutting during heavy applications. The 12-setting dial allows users to match the speed to the application. With the universal adapter (included), the Multi-Tool is compatible with most competitor accessories. It includes 5 assorted sanding sheets, a sanding pad and wood cutting blade.
