

Milwaukee M12IR-0 12V Li-Ion Cordless 3/8" Ratchet - Skin Only

Part Number: M12IR-0

Specification

Milwaukee M12IR-0 12V Li-Ion Cordless 3/8" Ratchet - Skin Only

The M12 Cordless 3/8 Impact Ratchet is the ideal tool for auto mechanics, maintenance and repair professionals looking for maximum performance and productivity in a subcompact cordless tool. It utilises a powerful 12-volt motor to produce up to 47Nm of torque and 250 RPM, giving users the power and speed of a pneumatic ratchet without the airhose. Its powered by the M12 REDLITHIUM-ION Battery Pack (sold separately), which delivers more work per charge and more work over pack life, as well as best-in-class performance in extreme jobsite conditions. At just 273mm long and 1.7kg, the ratchet is tool-belt portable, and features a 19mm low-profile head design for work in the tightest of spaces and engine bays. The variable-speed metal trigger and reinforced steel housing provide maximum control and durability with any application.
