

M18 GEN3 FUEL Hammer Drill/Driver - Tool Only

Part Number: M18FPD2OK

Specification

M18 GEN3 FUEL Hammer Drill/Driver - Tool Only

The M18 FUEL 13mm Hammer Drill provides maximum power and fast speeds under heavy load, in a compact design. The POWERSTATE- Brushless motor delivers 135Nm of torque and 2,000 RPMs, providing fast drilling through demanding applications. At 175mm in length, this is the most compact drill in its class, giving better access in tight spaces and reducing fatigue. The REDLINK PLUS- intelligence ensures maximum performance and protects from overloads, heating and overdischarge. The all metal ratcheting chuck is the best in class by providing increased bit grip strength and corrosion resistance.

Shipping Weight 0.00
