Part Number: M12FIR38-201B

Specification

Milwaukee M12FIR38-201B 12V 2.0Ah Li-Ion Fuel Cordless 3/8" Impact Ratchet Combo Kit

The MILWAUKEE M12 FUEL 3/8" Impact Ratchet is the first cordless tool that provides both the torque and compact size to replace pneumatic ratchets in the industry. With up to 74Nm of max torque and 200rpm, this tool is the ideal fastening solution for automotive mechanics and maintenance and repair professionals who demand maximum performance and convenient portability. A low profile head and cordless design allows for our users to have more access in tight spaces than competitive units. With the industry leading M12 FUEL technology, a reinforced mechanism and investment cast steel yoke housing, this ratchet can withstand daily jobsite wear and tear for years of reliable use. Eliminate the constant maintenance of pneumatic ratchets and the nuisance of the air hose in the shop with the M12 FUEL Ratchet, which delivers the maximum portability and productivity for the professional user.
