

MILWAUKEE M12 Brushed 3/8in Impact Wrench - Skin

Part Number: M12BIW38-0

Specification

MILWAUKEE M12 Brushed 3/8in Impact Wrench - Skin

The M12 3/8 Impact Wrench delivers 136Nm of torque for the toughest fasteners. The forged steel impact mechanism provides maximum durability. The compact, lightweight design allows for fastening in the tightest spots. Additionally, an on-board battery fuel gauge displays remaining run time.
