

# Milwaukee M12BRAID-0 12V Li-ion Cordless 1/4" Hex Right Angle Impact Driver - Skin Only

Part Number: M12BRAID-0

## Specification

Milwaukee M12BRAID-0 12V Li-ion Cordless 1/4" Hex Right Angle Impact Driver - Skin Only

The M12 Hex Right Angle Impact Driver is the ultimate solution for jobs demanding extreme power and speed in the tightest spaces. With a 35.6mm head diameter, and the ability to use with most 1 insert bits, the M12 Hex Right Angle Impact Driver offers users maximum access for hard-to-reach fasteners. The tool provides the most power and highest RPM in its class, and is optimised to run at full speed throughout the toughest applications. Variable speed with an extended paddle switch provides tradesmen complete control, and the ability to operate their tool from multiple grip positions. Get maximum life out of the M12 Hex Right Angle Impact Driver. Powered by REDLITHIUM-ION battery pack which delivers more work per charge and more work over pack life. REDLINK Intelligence provides optimised performance and overload protection against abusive situations.

**Shipping Weight** 0.00
