

MILWAUKEE M12 Palm Nailer - skin

Part Number: C12PN-0

Specification

MILWAUKEE M12 Palm Nailer - skin
A compact, portable solution for powerful nail driving in hard-to-reach workspaces. M12 Cordless Palm Nailer provides a portable solution for professional nailing applications in places unreachable by a traditional nail gun. Its powerful impacting mechanism delivers 2.9J of blow energy, while the M12 REDLITHIUM-ION battery pack (sold separately) produces more work per charge and more work over pack life, as well as best-in-class performance, in extreme job site conditions. This subcompact cordless tool features a 5-10mm magnetic collet for a secure hold on nails for one-handed use. Its ergonomic design provides superior comfort and control. The palm nailer also features a built-in LED light, an onboard fuel gauge, and comes with a convenient hand strap to ensure the highest level of user safety.
