Specification

Milwaukee M12SL-0 12V Li-Ion Cordless LED Stick Light - Skin Only

The MILWAUKEE M12 LED Stick Light delivers best in class light output and unmatched versatility in a compact and durable design. The M12SL-0 utilises 3 powerful LEDs to provide optimal brightness and light coverage while the multi-position hook allows for hands free use. The M12 Stick Light features a replaceable, impact resistant lens, engineered to stand up to the toughest work conditions. The M12 LED Stick Light runs off of M12 REDLITHIUM-ION batteries (batteries sold separately). TRUEVIEW High Definition Lighting utilises the most advanced lighting technology to deliver true representation of colors, optimised color temperature, and even beam patterns all designed to improve productivity and safety.
