Part Number: M12BDC8-0C

Specification

Milwaukee M12BDC8-0C - 12V Drain Snake Skin

The M12 Drain Snake is the ultimate service plumbing solution for tough jobs up to 60mm max drain lines; and weighing only 4.8kg. Its the lightest battery powered professional drain cleaner on the market. Its unique, hybrid design provides the benefits of both handheld and floor based drain cleaners in one machine. The tools fixed drum shield with flat base protects users and fixtures while providing maximum tool support for easy cable feed. Plumbers, facility maintenance, and property managers will eliminate setup time when they switch from their corded drain cleaning machines to the M12 Drain Snake. Powered by REDLITHIUM-ION battery pack which delivers more work per charge and more work over pack life than the competitors. REDLINK Intelligence provides optimised performance and overload protection against abusive situations.
