Details

SHINES BRIGHTER. GRIPS STRONGER. PROTECTS LONGER. The M12 LED Underhood Light delivers 1350 lumens of TRUEVIEW High Definition output for full engine coverage and clarity. MILWAUKEE's FINISHGUARD hooks provide lasting protection against scratches to a vehicle's finish. With more gripping surface, get more contact for better positioning when mounting underhood, undercarriage or elsewhere. Rotate, slide, remove and hang the light bar for added flexibility and versatility. The carrier extends 122cm - 198cm covering wide cars and trucks, perfect for mechanics working in automotive work shops. Get up-to 8 hours of runtime when powered by a M12 REDLITHIUM-ION 4.0ah Battery. Built to withstand the toughest environments, this light is impact and chemical resistant, and covered by our 5 Year Tool Warranty as well as a Limited Lifetime LED warranty.
