

MILWAUKEE M12 Compact jobsite radio - skin

Part Number: C12JSR-0

Specification

MILWAUKEE M12 Compact jobsite radio - skin

At only 267mm and 1.6kg, the M12 Jobsite Cordless Radio is smaller than most existing job site radios. With the introduction of the first digital processor in the category, the M12 Jobsite Radio features premium weatherproof aluminum speakers that produce a rich, full sound and a built in weather sealed compartment to protect audio devices connected to the aux cable. Backed by legendary MILWAUKEE durability, a shock absorbing ABS polymer and steel construction protects internal components from weather and abusive job site conditions.
