

Milwaukee M12BPRT-0 12V Li-ion Cordless Pop Rivet Tool - Skin

Part Number: M12BPRT-0

Specification

Milwaukee M12BPRT-0 12V Li-ion Cordless Pop Rivet Tool - Skin

The M12 Rivet Tool is a cordless solution that delivers fast, easy riveting while maintaining performance, durability, and size. The M12BPRT-0 can pull up to 500 3/16" stainless steel rivets or 900 1/8" steel rivets on one charge with a 3.0Ah battery, and reduces muscle effort from a hand tool. No compressors or hoses during set up and operation makes this tool a great replacement to pneumatic products. Delivers maximum durability from common jobsite conditions and use. This is the most compact cordless rivet tool on the market, measuring only 165mm in length allowing users more access in tight spaces. The M12 Rivet Tool is part of the M12 battery platform, offering 50+ solutions on one battery system.
