

FEATURES

The MILWAUKEE® REDLITHIUM™-ION Battery Pack is the most durable pack on the market delivering more run-time, power and longer battery life.

Powerful dust extraction: Reduces the potential for silica dust inhalation by user.

Universal handle system: Compatible with major brands of SDS Plus rotary hammers and AC/DC hammer drills.

Replaceable certified HEPA filter: Provides high-quality debris filtration at lowest cost of ownership.

Versatile side handle: Can be tightened in multiple positions for work in tight spaces.
